

About the Conference

'Prof. P. C. Vaidya National Conference on Mathematical Sciences' shall be first of its type and one of the significant conference in areas of study that includes, in addition to mathematics, those academic disciplines that are primarily mathematical in nature.

The conference is designed with Invited research lectures and Paper presentations. The main intention is to reflect the state of research in Mathematics, Statistics and Computer Sciences.

About St. Xavier's College

St. Xavier's College was founded in 1955 and the only grant-in-aid Christian institution of higher education in Gujarat which is run by a world-wide religious organization, the Society of Jesus, founded by St. Ignatius Loyola. It was accredited with 5 stars in 2001, reaccredited with an A+ in 2007 and with A (3.41 CGPA) in 2013. UGC has granted autonomous status in 2014 to this college.

About Gujarat Ganit Mandal

Gujarat Ganit Mandal (GGM) was founded in the year 1963 by Late Prof. P. C. Vaidya who was internationally renowned for his research work in the Theory of Relativity. GGM is a registered association having permanent office at Dept. of Mathematics, Gujarat University, Ahmedabad. The objective of GGM is to promote the cause of Mathematics in Gujarat from School level to University level.
